

TOURTEXAS.COM

Attract and interact with more travelers quicker.

When your content is a part of TourTexas.com, not only are travelers able to immediately associate your destination, attraction, accommodation, event or dining establishment as a quality option to consider for their next vacation, but you have the ability to attract and more quickly interact with those who "raise their hand" and want more information directly from you.

TourTexas.com is providing advertisers the opportunity to receive leads from opt-in travelers – including coveted email addresses – when one of the eligible content options are chosen. These leads include click-outs to your website, page views of your content and the travelers' self-submitted personal information.
